

FOR IMMEDIATE RELEASE

## Symbotic Reports Second Quarter Fiscal Year 2024 Results

Wilmington, Massachusetts (May 6, 2024) -- Symbotic Inc. (Nasdaq: SYM), a leader in A.I.-enabled robotics technology for the supply chain, announced financial results for its second fiscal quarter of 2024 ended March 30, 2024. Symbotic posted revenue of \$424 million, a net loss of \$41 million and adjusted EBITDA<sup>1</sup> of \$22 million for the second quarter of fiscal 2024. In the same quarter of fiscal 2023, Symbotic had revenue of \$267 million, a net loss of \$55 million and an adjusted EBITDA loss<sup>1</sup> of \$11 million. Cash, cash equivalents and marketable securities on hand increased by \$276 million from the prior quarter to \$951 million at the end of the second quarter.

“This past quarter we executed well for our customers, made significant progress on our innovation roadmap and delivered solid financial results.” said Rick Cohen, Chairman and Chief Executive Officer of Symbotic. “We made significant advances in both software and hardware this quarter that will benefit customers, accelerate deployment times and increase our deployment capacity.”

“These advancements helped us to accelerate deployment progress during the quarter,” said Symbotic Chief Financial Officer Carol Hibbard. “We started three system deployments and completed three operational systems, while achieving faster revenue growth, higher margins and stronger cash generation than planned for the quarter.”

### OUTLOOK

For the third quarter of fiscal 2024, Symbotic expects revenue of \$450 million to \$470 million, and adjusted EBITDA<sup>2</sup> of \$27 million to \$29 million.

### WEBCAST INFORMATION

Symbotic will host a webcast today at 5:00 pm ET to discuss its second quarter fiscal 2024 results. The webcast link is: <https://edge.media-server.com/mmc/go/Symbotic-Q2-2024>.

#####

### ABOUT SYMBOTIC

Symbotic is an automation technology leader reimagining the supply chain with its end-to-end, A.I.-powered robotic and software platform. Symbotic reinvents the warehouse as a strategic asset for the world’s largest retail, wholesale, and food & beverage companies. Applying next-generation technology, high-density storage and machine learning to solve today's complex distribution

---

<sup>1</sup> Adjusted EBITDA (earnings before interest, taxes, depreciation, and amortization) is a non-GAAP financial measure as defined below under “Use of Non-GAAP Financial Information.” See the tables below for reconciliations to net loss, the most comparable GAAP measure.

<sup>2</sup> Symbotic is not providing guidance for net loss, which is the most comparable GAAP financial measure to adjusted EBITDA, because information reconciling forward-looking adjusted EBITDA to net loss is unavailable to it without unreasonable effort. Symbotic is not able to provide reconciliations of adjusted EBITDA to GAAP financial measures because certain items required for such reconciliations are outside of Symbotic’s control and/or cannot be reasonably predicted, such as the provision for stock-based compensation.

challenges, Symbotic enables companies to move goods with unmatched speed, agility, accuracy and efficiency. As the backbone of commerce, Symbotic transforms the flow of goods and the economics of the supply chain for its customers. For more information, visit [www.symbotic.com](http://www.symbotic.com).

## **USE OF NON-GAAP FINANCIAL INFORMATION**

Symbotic reports its financial results in accordance with Generally Accepted Accounting Principles in the United States (“U.S. GAAP”). This press release contains financial measures that are not recognized under U.S. GAAP (“non-GAAP financial measures”), including adjusted EBITDA, adjusted gross profit and adjusted gross profit margin. These non-GAAP financial measures have limitations as an analytical tool as they do not have a standardized meaning prescribed by U.S. GAAP. The non-GAAP financial measures Symbotic uses may not be the same non-GAAP financial measures, and may not be calculated in the same manner, as that of other companies and, therefore, are unlikely to be comparable to similar measures presented by other companies. Rather, these non-GAAP financial measures are provided as a supplement to corresponding U.S. GAAP measures to provide additional information regarding the results of operations from management’s perspective. Accordingly, non-GAAP financial measures should not be considered a substitute for, in isolation from, or superior to, the financial information prepared and presented in accordance with U.S. GAAP. All non-GAAP financial measures presented in this press release are reconciled to their closest reported U.S. GAAP financial measures. Symbotic recommends that investors review the reconciliation of these non-GAAP financial measures to the most directly comparable GAAP financial measures provided in the financial statement tables included below in this press release, and not rely on any single financial measure to evaluate its business.

Symbotic defines adjusted EBITDA, a non-GAAP financial measure, as GAAP net loss excluding the following items: interest income; income taxes; depreciation and amortization; stock-based compensation; CEO transition charges; joint venture formation fees; restructuring charges; equity financing transaction costs; and other non-recurring items that may arise from time to time. Symbotic defines adjusted gross profit, a non-GAAP financial measure, as GAAP gross profit excluding the following items: depreciation; stock-based compensation; and restructuring charges. Symbotic defines adjusted gross profit margin, a non-GAAP financial measure, as adjusted gross profit divided by revenue. In addition to Symbotic’s financial results determined in accordance with U.S. GAAP, Symbotic believes that adjusted EBITDA, adjusted gross profit and adjusted gross profit margin, non-GAAP financial measures, are useful in evaluating the performance of Symbotic’s business because they highlight trends in its core business.

## FORWARD-LOOKING STATEMENTS

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 including, but not limited to, Symbotic's expectations or predictions of future financial or business performance or conditions. Forward-looking statements are inherently subject to risks, uncertainties and assumptions. Generally, statements that are not historical facts, including statements concerning our possible or assumed future actions, business strategies, events, backlog or results of operations, are forward-looking statements. These statements may be preceded by, followed by or include the words "believes," "estimates," "expects," "projects," "forecasts," "may," "will," "should," "seeks," "plans," "scheduled," "anticipates" or "intends" or similar expressions.

Forward-looking statements include, but are not limited to, statements about the ability of or expectations regarding Symbotic to:

- meet the technical requirements of existing or future supply agreements with its customers, including with respect to existing backlog;
- expand its target customer base and maintain its existing customer base;
- realize the benefits expected from the GreenBox joint venture;
- anticipate industry trends;
- maintain and enhance its platform;
- maintain the listing of the Symbotic Class A Common Stock on Nasdaq;
- execute its growth strategy;
- develop, design and sell systems that are differentiated from those of competitors;
- execute its research and development strategy;
- acquire, maintain, protect and enforce intellectual property;
- attract, train and retain effective officers, key employees or directors;
- comply with laws and regulations applicable to its business;
- stay abreast of modified or new laws and regulations applying to its business;
- successfully defend litigation;
- issue equity securities in connection with future transactions;
- meet future liquidity requirements and, if applicable, comply with restrictive covenants related to long-term indebtedness;
- timely and effectively remediate any material weaknesses in our internal control over financial reporting;
- anticipate rapid technological changes; and
- effectively respond to general economic and business conditions.

Forward-looking statements also include, but are not limited to, statements with respect to:

- the future performance of our business and operations;
- expectations regarding revenues, expenses, adjusted EBITDA and anticipated cash needs;
- expectations regarding cash flow, liquidity and sources of funding;
- expectations regarding capital expenditures;
- the anticipated benefits of Symbotic's leadership structure;
- the effects of pending and future legislation;
- business disruption; disruption to the business due to the Symbotic's dependency on certain customers;
- increasing competition in the warehouse automation industry;
- any delays in the design, production or launch of our systems and products;
- the failure to meet customers' requirements under existing or future contracts or customer's expectations as to price or pricing structure;
- any defects in new products or enhancements to existing products;
- the fluctuation of operating results from period to period due to a number of factors, including the pace of customer adoption of our new products and services and any changes in our product mix that shift too far into lower gross margin products; and
- any consequences associated with joint ventures and legislative and regulatory actions and reforms.

Such forward-looking statements involve risks and uncertainties that may cause actual events, results or performance to differ materially from those indicated by such statements. Certain of these risks are identified and discussed in Symbotic's Annual Report on Form 10-K filed with the U.S. Securities and Exchange Commission (the "SEC") on December 11, 2023, and Symbotic's Quarterly Report on Form 10-Q filed with the SEC on February 8, 2024. These risk factors will be important to consider in determining future results and should be reviewed in their entirety. These forward-looking statements are expressed in good faith, and Symbotic believes there is a reasonable basis for them. However, there can be no assurance that the events, results or trends identified in these forward-looking statements will occur or be achieved. Forward-looking statements are provided for the purposes of assisting the reader in understanding our financial performance, financial position and cash flows as of and for periods ended on certain dates and to present information about management's current expectations and plans relating to the future, and the reader is cautioned not to place undue reliance on these forward-looking statements because of their inherent uncertainty and to appreciate the limited purposes for which they are being used by management. While we believe that the assumptions and expectations reflected in the forward-looking statements are reasonable based on information currently available to management, there is no assurance that such assumptions and expectations will prove to have been correct. Forward-looking statements speak only as of the date they are made and are based on the beliefs, estimates, expectations and opinions of management on that date. Symbotic is not under any obligation, and expressly disclaims any obligation to update, alter or otherwise revise any forward-looking statement, whether as a result of new information, future events or otherwise, except as required by law. Readers should carefully review the statements set forth in the reports that Symbotic has filed or will file from time to time with the SEC.

In addition to factors previously disclosed in Symbotic's Annual Report on Form 10-K filed with the SEC on December 11, 2023, and Symbotic's Quarterly Report on Form 10-Q filed with the SEC on February 8, 2024, and those identified elsewhere in this press release, the following factors, among others, could cause actual results to differ materially from forward-looking statements or historical performance: failure to realize the benefits expected from adding to our base of outsourcing partners; risks related to the GreenBox joint venture and the effects of pending and future legislation.

Any financial projections in this press release or discussed in the webcast are forward-looking statements that are based on assumptions that are inherently subject to significant uncertainties and contingencies, many of which are beyond Symbotic's control. While all projections are necessarily speculative, Symbotic believes that the preparation of prospective financial information involves increasingly higher levels of uncertainty the further out the projection extends from the date of preparation. The assumptions and estimates underlying the projected results are inherently uncertain and are subject to a wide variety of significant business, economic and competitive risks and uncertainties that could cause actual results to differ materially from those contained in the projections. The inclusion of projections in this communication should not be regarded as an indication that Symbotic, or its representatives, considered or considers the projections to be a reliable prediction of future events.

Annualized, projected and estimated numbers are not forecasts and may not reflect actual results.

This communication is not intended to be all-inclusive or to contain all the information that a person may desire in considering an investment in Symbotic and is not intended to form the basis of an investment decision in Symbotic. The forward-looking statements contained in this press release and other reports we file with, or furnish to, the SEC and other regulatory agencies and made by our directors, officers, other employees and other persons authorized to speak on our behalf are expressly qualified in their entirety by these cautionary statements.
